The form becomes a part of the permanent employment record of participants in training programs and is included in the Government's Central Personnel Data File.

DISCLOSURE: Personal information provided on this form is given on a voluntary basis. Failure to provide this information, however, may result in ineligibility for participation in training programs.

SECTION E - TRAINEE AGREEMENT / CERTIFICATION

38. AGREEMENT TO CONTINUE IN SERVICE

This agreement applies to all non-government training that exceeds 80 hours (or such other designated period, 80 hours or less, as prescribed by the agency) and for which the Government approves payment of training costs prior to the commencement of such training. Nothing contained in this section shall be construed as limiting the authority of an agency to waive, in whole or in part, an obligation of an employee to pay expenses incurred by the Government in connection with the training.

- a. I AGREE that upon completion of the Government sponsored training described in this request, I will serve in the Department of Defense (DoD) three times the length of the training period; except that if I receive no salary for the time spent in training the period of obligated service will be either one month or a period equal to the amount of time spent in training, whichever is greater. (The length of part-time training is the number of hours spent in class or with the instructor. The length of full-time training is eight hours for each day of training, up to a maximum of 40 hours a week.)
- b. If I voluntarily leave the DoD and the Federal service before completing the period of service agreed to in item a above, I AGREE to reimburse the DoD for the tuition and related fees, travel, and other special expenses (EXCLUDING SALARY) paid in connection with my training. However, the amount of the reimbursement will be reduced on a pro rata basis for the percentage of completion of the obligated service. (For example, if the cost of training is \$900 and I complete two-thirds of the obligated service, I will reimburse the DoD \$300 instead of the original \$900.)
- c. If I voluntarily leave the DoD to enter the service of another Federal agency or other organization in any branch of the Government before completing the period of service agreed to in item a above, I will give my servicing Civilian Personnel Office or Training Office advance notice during which time, in accordance with Federal regulations, a determination concerning reimbursement or transfer of the remaining service obligation to the gaining agency will be made.
- d. I understand that any amounts which may be due the employing agency as a result of any failure on my part to meet the terms of this agreement may be withheld from any monies owed me by the Government, or may be recovered by such other methods as are approved by law.
- e. I acknowledge that this agreement does not in any way commit the Government to continue my employment.

f. Period of obligated service:	(1) From (Enter date (YYMMDD))	(2) To (Enter date (YYMMDD))

39. I am not receiving any contributions, awards, or payments in connection with this training, from any other government agency or non-government organization and shall not accept such without first obtaining approval from the authorizing training official. I agree that should I fail to complete the requested training successfully, due to circumstances within my control, I will reimburse the agency for all training costs (excluding salary) associated with my attendance.
